

A FEW UPDATES BARK ME BEAUTIFUL

As BMB continues to grow, we've made a few updates to our pricing, sizing, scheduling, and grooming team that we want to share with you.

Updated Sizing & Pricing:

We updated our dog size categories and adjusted our service pricing to better reflect the time and care each groom requires. Because of these changes, some dogs may fall into a different size category or see a change in their regular grooming prices.

New Frequency- Based Pricing

We've also introduced a tiered pricing system based on the number of weeks between grooming appointments.

Dogs who visit more frequently generally require less time, so clients who maintain a regular grooming schedule may receive discounted pricing. Longer periods between grooming appointments will have higher pricing & additional time scheduled. All quoted pricing will be based on an **8-week grooming schedule.**

Scheduling & Our Team

We know our schedule has been booking out farther than we would like. Our grooming team has recently gone through some changes, with a few groomers moving on, and several new groomers joining us.

Adding to our team will allow us to open more appointments and make scheduling a little easier. We are still highly recommending pre-booking, especially if you prefer a specific groomer, day or time as we approach the holiday season.

**THANK
YOU!**

We know changes can take a little getting used to, and we appreciate your patience as we put these updates into place.

Most importantly, thank you for continuing to trust us with your pups! We're excited about what's ahead for Bark Me Beautiful & look forward to seeing you soon! 🐾
